

# Living in a castle

Written and illustrated by Sarah L Dolan

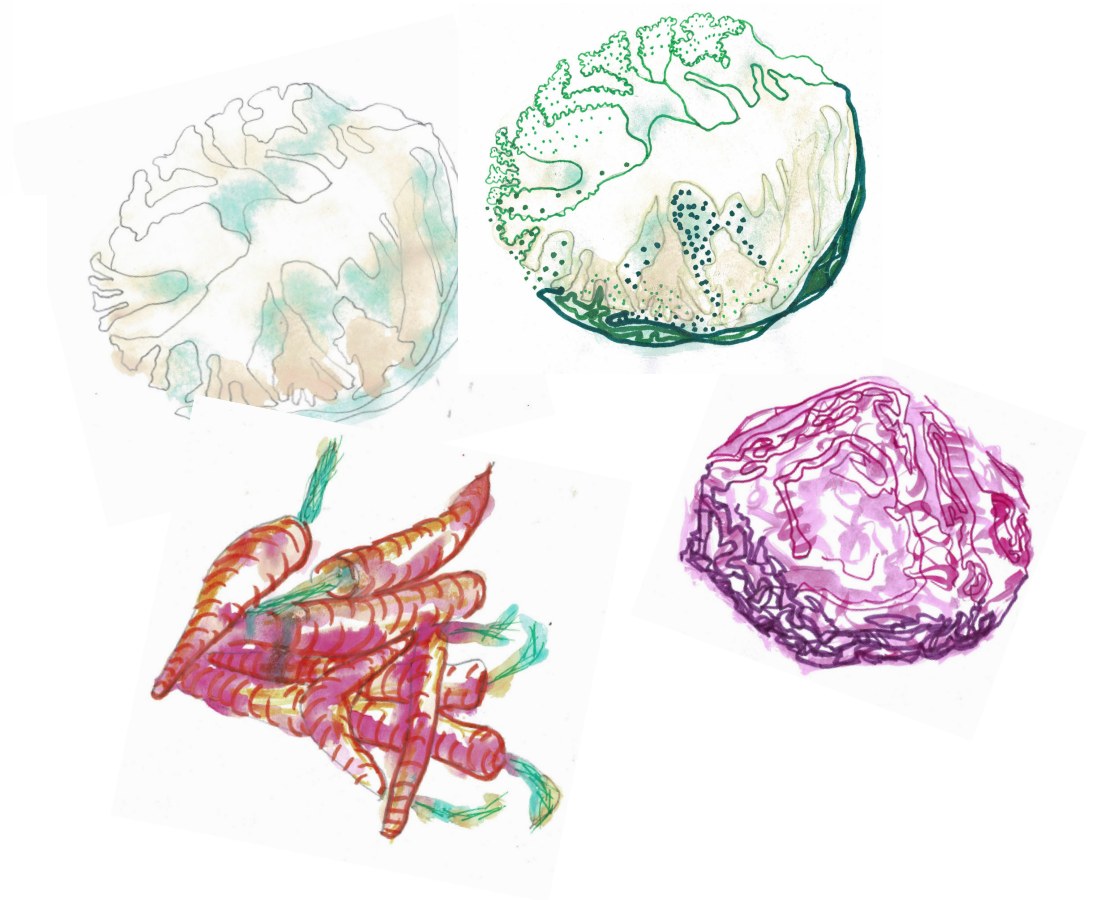

**Gwalia the Medieval mouse  
wanted to live in a house  
because  
living in a castle was too much hassle**

**horses**  
**pigs**  
**too much rotten veg**

small feet  
big feet  
too many legs

fire  
smoke  
it's no joke

and then there's the cat ...

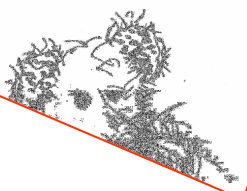

**Medrod was fast  
Medrod could move  
Medrod was quick  
Medrod could groove**

**Medrod was cool  
Medrod was trendy  
Medrod was hip and  
everybody wanted to be  
his friend**

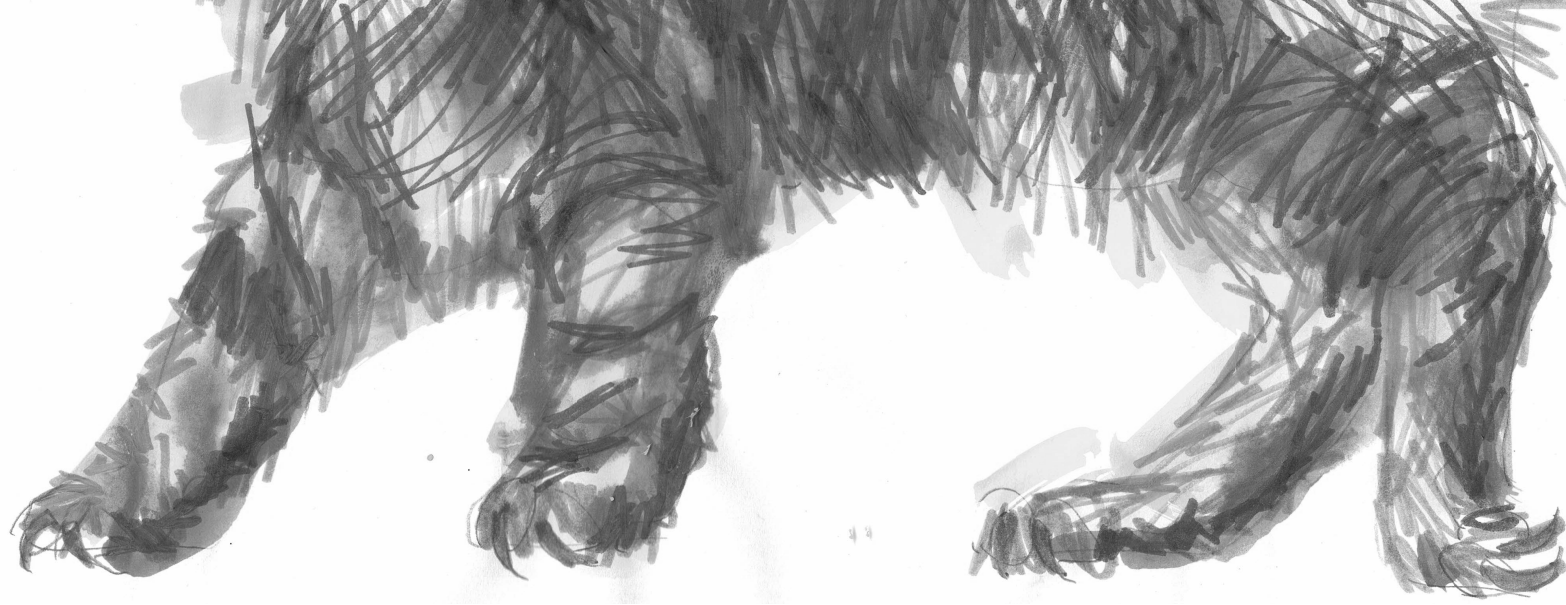

**There's a  
mouse!**

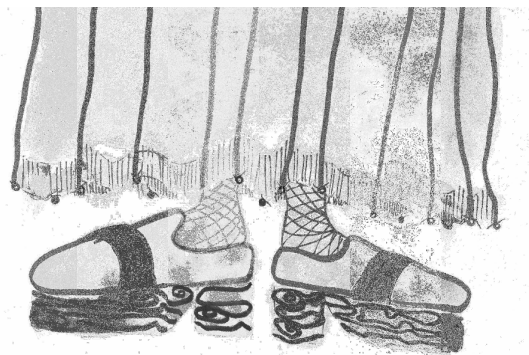

**It's a rat!**

**Catch it!**

**Kill it!**

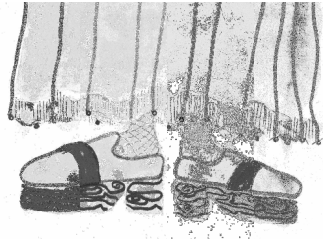

**Medrod was the coolest cat in the castle  
and he liked shoes**

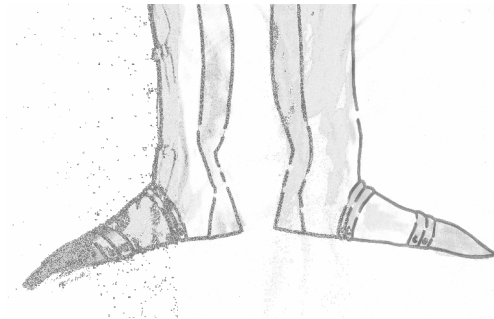

but he didn't like mice!

# Which Medieval shoe is the shoe for you?
