

Culhwch and Olwen

Prince Kilydd lives in a mighty castle that has towers and turrets. What do you think this looks like?

- 1. Draw the castle below and give it a name.**
- 2. Build the castle – this could be from cardboard, lego, meccano, anything you like!**

Culhwch and Olwen

Goleuddydd wandered far and wide before having her baby, Culhwch. On your daily walk, make notes of what you see around you and below draw the map showing what you think she saw!
