

CADW: TRETOWER COURT and CASTLE

**EXPRESSIONS OF INTEREST INVITED
FROM POTENTIAL OPERATORS
FOR
THE CAFÉ WITHIN THE CONVERTED TRETOWER
BARN, VISITOR CENTRE.
3 YEAR AGREEMENT FROM MARCH, 2025.**

INTRODUCTION:

So striking was the massive circular tower built by Roger Picard II that his castle became known as Tretower – or ‘the place of the tower’.

Over two centuries, from about 1100, the Picards transformed themselves from invading Norman adventurers to powerful Welsh lords.

This monumental tower with four storeys and stone walls nine feet thick wasn't merely for protection. It was social climbing made visible, an open imitation of the castles at Pembroke and Skenfrith.

It would be remarkable enough on its own but Tretower is two wonders in one. Just across the castle green lies an entire medieval court that became a byword for magnificence.

It was the creation of Sir Roger Vaughan and his descendants. During the Wars of the Roses, Sir Roger became one of the most powerful men in Wales – and Tretower reflected his fame. Major investment at Tretower in 2021 included the provision of a new café operation within the Grade II listed barn conversion. This major conservation project for Tretower Court and Castle included a new visitor reception with enhanced visitor entrance, retail, exhibition space, visitor toilets and a lift and staircase to the upper first floor of the barn, which is where a new café and server was built and fitted out, with completion late 2021.

THE OPPORTUNITY:

Cadw is offering a rare, substantial and notable opportunity, preferably for a local, independent, business to run and manage a unique catering facility at Tretower Court and Castle in the Grade II listed barn. It is hoped that from March 2025 this will be run by a third-party operator, selected, following this Expression of Interest process.

Cadw seeks to secure a professional catering operator, experienced in the operational demands of running a café/restaurant operation. The operator will provide a quality, all year round, attractive, catering offer for Tretower Cafe to enable a friendly, fast and efficient customer service for our visitors to Tretower Court and Castle.

The Operator will need to meet the catering expectations and requirements of Cadw's many varied visitor groups and to provide a top quality, enjoyable catering experience, which will add to their overall visitor experience at Tretower Court and Castle. They will also need to work closely with Cadw staff on site and with Cadw's Commercial department, to deliver the service in line with Welsh Government requirements and expectations.

The initial occupational agreement for Tretower Café will run for 3 years from March 2025, until March 2028 and, if the relationship between Cadw and the Operator proves successful, this will be able to be extended in line with normal Landlord and Tenant negotiations.

In relation to Tretower Cafe, it is hoped that the occupational agreement will commence from March 2025, and an annual base licence fee of £7K ex VAT is to be paid to Cadw for Tretower Café. The licence fee will be collected monthly in advance. A turnover rent provision equal to 10% of Tretower café sales over £145,000 ex VAT will also be paid to Cadw in addition to the base rental figure.

All utility charges, including water and electricity, used by Tretower Café, will be the direct responsibility of the Operator.

The successful Operator will be required to agree and sign an appropriate occupational agreement before occupation of Tretower Café can commence (final terms to be solely determined by Cadw). The agreement will be on the basis that the business tenant will not be entitled to statutory protection to renew the agreement.

The permitted use for Tretower Cafe shall be a self-contained, stand alone, catering unit, situated on the first floor of Tretower Barn (and having sole use of this floor space), with fitted catering kitchen and café servery, and internal and outside seating. Tretower Café is not situated within the pay barrier of this Cadw site and can operate as a separate entity, when Tretower Court and Castle is closed to visitors, providing additional operating opportunities.

Tretower Barn, and therefore the café, has a dedicated car parking facility for visitors immediately adjacent in which there are situated Electric Vehicle charging points.

The stipulation is that the Tretower Café must be open in line with Tretower Court and Castle's opening times, (10am – 5pm, Mar – end of Oct, and 10am – 4pm Nov – end of Feb) there is the added flexibility of being able to open 7 days a week in the Winter months, Nov – end of February (when Tretower Court and Castle currently opens 5 days a week). These site opening times may change from season to season.

It is understood that there is the possibility of a premises licence being granted and the opportunity for an Operator to run evening trade, subject to agreement with Cadw and the consent of the licensing authorities. Tretower Cafe is to open for any evening events which may arise, when asked to do so by Cadw, and to provide an out-of-hours catering service if required. The frequency and nature of these events will naturally vary - currently this is approximately fifteen events, per annum, for example, Christmas shopping evenings and summer events.

The Operator is to supply their own till for the café and to provide management accounts on an open-book basis, to include, but not limited to, all costs, profit/loss and turnover on a quarterly basis and as requested by Cadw. The Operator will be

liable for any loss of takings if Tretower Café and/or the Court and Castle need to close for any reason, for example, due to utility services failure, equipment failure or adverse weather conditions etc. Cadw will not be liable to pay the Operator compensation to cover Tretower Cafe staff wages, for example, due to any site building works, adverse weather conditions and equipment failure or site closure for any reason.

There is public access to Tretower Cafe, when Tretower Court and Castle is closed, and the Café can operate independently of the site's opening and closing times. There is an expectation for the Operator to be able to meet the catering needs of all our visitors, from families, to tour groups, to students, for the local community and those who live locally.

CADW 'S AIMS:

Cadw is constantly looking to developing revenue streams in order to help support its work and to benefit local communities. Cadw is keen to develop the provision of a food and beverage offer across its monuments and to work with local businesses to deliver this offer.

As such, the recent development at Tretower Court and Castle included the provision of a new cafe, with the aim of providing a substantial opportunity for a local, independent, business.

THE OPERATOR:

Cadw views the use of the catering facilities within Tretower Court and Castle as a long term partnership and it is therefore essential that any applicant is committed to Cadw's aims of working to conserve and protect Wales's heritage for us all to keep and to enjoy, both now and in the future, and to promote distinctive regeneration and sustainable development through heritage.

- Recognise opportunities and can make the most of the footfall in the area and look to ensure this will complement existing local businesses.
- A good communicator, who will be an ambassador for Cadw and the local community both locally and regionally.

Cadw will assess any Expressions of Interest received and along with the above, also assess the applicant's commitment to meeting Cadw's Service Standards Requirements, Welsh Language Requirements, Community Benefits and Cadw's own ethos as part of the assessment of all Expressions of Interest received. This process will identify Cadw's preferred occupier who will then be given the opportunity to negotiate the finer details of the Landlord & Tenant agreement in advance of the proposed occupation date. Should agreements not be agreed by end March 2025, Cadw reserves the right to approach the second preferred occupier to negotiate terms and secure an occupational agreement.
